

Raw Energy Pursuits

Hi

Thank you for entering the Lezyne Arundel Lido Triathlon on Sunday 21ST May 2017

Swim start times will be posted on the website by the 16th May. There are some approximate start times listed within the race details which can be seen on the event page <http://rawenergypursuits.co.uk/?p=3941> together with maps and previous results. All the information you need for the race is contained within the race details, please make sure you read them.

The start times are approximate, but you still need to be on poolside at least 15 minutes before your allocated time.

We don't send race packs out; these can be collected from registration either on Saturday 5pm-6:30pm or Sunday 5:20am to 8:30am – these are the only times to register. Racking of bikes is only on Sunday.

Further emails will be sent out over the next few days, but always check our website and our Facebook page first
(<https://www.facebook.com/RawEnergyPursuits>)

We look forward to seeing you in a couple of weeks' time.

Team Raw Energy
