

RUN THE SEASONS

Hi

Due to the yellow weather warning for strong winds associated with Storm Darragh, we regret to inform you that the Winter Night Run, as part of **Run the Seasons** scheduled for tomorrow, has been postponed. Your safety is our top priority, and we feel this decision is in everyone's best interest in view of the risk of branches falling and temporary structures in the 'event village'.

We understand that this news is very disappointing for everyone, but we are pleased to inform you that all entries will remain valid for the rescheduled event which has been set for Saturday **25th January 2025**. We'll be looking to make the new date extra special for you as it falls on Burns Night. There is nothing further you need to do, we will be in contact again early in the new year.

Thank you for your understanding, and we look forward to seeing you in January.
