The run starts from the bottom of a long straight track called The Race. Follow this track all the way until you reach a 5-bar gate and enter the wooded section. Follow the signs and marshals and you'll emerge on the road. Go straight on, up a driveway which picks up a footpath and eventually a stoney track. Keep on the track all the way (under the pylons) until you reach the old barn at Grevatts. **TURN LEFT** on the bridleway (marshalled) and continue on this track until you reach a grassy crossroads. **STRAIGHT ON** where you'll see

in the distance a marshal. 10km & 10 mile TURN RIGHT down a fairly steep & technical descent to the road, please take care. When you reach the road, you have reached the COURSE SPLIT location (4km).

10km turn right down the road and 10 mile TURN LEFT up the road.

10k turn right on the road and then almost immediately right up a driveway which is the Serpent Trail. Remain on the track for about 1km and then TURN RIGHT onto a bridleway (marshal), follow this down a VERY STEEP narrow path before emerging in a wooded section of the course. Climb up a steep hill to a small common by the viewing bench (5.73km) (marshal) and then go STRAIGHT ACROSS down a narrow rocky lane for another 1km until you reach the Sussex Diamond Way. Turn right and then right again around the edge of the field and then TURN RIGHT through a kissing gate and on through the avenue of trees in Cowdray Park. Follow the mowed grass trail and signs and you'll then pass the 1000yr old Queen Elizabeth oak. Continue uphill on the mowed section and then TURN LEFT down a steep section and follow the mown path through a 5-bar gate and small pond in the memorial grounds. Follow the track back up to Oaters Wood where you originally ran and then it's all downhill to the finish via the track known as The Race. Please look at the maps online.

10 Mile section

Once you've reached the COURSE SPLIT location at 4km (2.75m), TURN LEFT up the road and keep to the right hand side. When you reach Verdley Wood turn right into the woods. First Aid and Water will be at this location. You are now on the Serpent Trail which is clearly marked. TURN RIGHT (marshal & sign) just after 3miles and follow the gravel tracks and trails for about half a mile. TURN RIGHT along a grassy and muddy (private) trail which will be wet. Follow this for half a mile and then turn sharp left and follow the track for another half a mile until you re-appear onto the public right of way. TURN RIGHT, look out for signs here as there are a few different paths, and then LEFT down a wide and wet track which leads to the village of Henley. TURN LEFT just before Duke of Cumberland Pub and then LEFT (marshal) opposite the pub by the telephone box. After 200m, TURN LEFT along a narrow footpath between two gardens. This will lead to a small stream and the planked bridge. You're now back on the Serpent Trail, follow this section all the way back to the road where the First Aid post is located (it's undulating and very wet in some places). TURN LEFT down the road and then you'll reach the the COURSE SPLIT location you originally passed. You're now on the 10km course which will lead you back to the finish. See course description above. PLEASE NOTE: There are numerous tracks and paths within the woods so keep an eye out for signs which will be checked before the race starts.

5km COURSE

The run start is the same as the 10k and 10m and follows a long straight uphill track called 'The Race'. Follow this track until you reach a 5-bar gate and enter Oaters Woods. At the crossroads in the woods TURN RIGHT down a steep hill and into the memorial fields. Follow the mown path through another 5-bar gate and then there's a short sharp hill to climb, where you'll see a marshal at the top. Run straight across and follow the route (and the amazing views) until you reach the start of the avenue of trees. At this point, you may find some of the faster runners from the 10k joining you from another direction. Follow the mowed grass trail and signs and you'll then pass the 1000yr old Queen Elizabeth oak. Continue uphill on the mowed section and then TURN LEFT down a steep section and the mown path through a 5-bar gate and small pond in the memorial grounds. Follow the track back up to Oaters Wood where you originally ran and then it's all downhill to the finish via the track known as The Race. Please look at the maps online.

FREE PHOTOS & MEDALS. Sussex Sport Photography will be on the course, so make sure you give them a wave and make it look like you're enjoying yourselves! After the race grab yourself a hot drink from the the Cowdray team and maybe head across the road and enjoy a great breakfast in the cafe after the race; you deserve it. Medals are on the finish line.

The race coincides with the Cowdray Farm Shop Apple Day (10am-3pm), a celebration of this delicious and much-loved fruit. This humble fruit will be celebrated with a chance to press home-grown apples, take part in some apple-themed activities, as well as the chance to sample delicious apple-themed treats created by our head pastry chef and butchery team alongside tastings from local suppliers. Remember to bring your own apples if you have them and a container to take home some of your own fresh apple juice!

Apple Day was launched in 1990 by an association called Common Ground as a way of raising awareness of the provenance and traceability of food, which aligns perfectly with Cowdray's values.
