COURSE DESCRIPTION (PLEASE READ)

The run starts from the picnic area near the Farm Shop. All routes run down the long tarmac drive between the polo fields. 10k & 10m follow it round the right, 5k turn left.

10km & 10 Mile routes:

Follow the tarmac drive around the polo fields, turn left onto the lower track which takes you into the Walled Garden and Cowdray Ruins. Turn left at the bridge, over the river and then immediately left onto a trail by the river. Continue through a gate, along the river and then cross over Cowdray Wharf Bridge and onto a narrow footpath. **IMPORTANT: KEEP LEFT** on the footpath and follow it past the kennels and dairy until you reach the road. Run straight across and then **TURN RIGHT** up a muddy trail (not on the road). Continue uphill and straight on (bear slightly right at the footpath sign) and continue until you merge onto an open field. Follow the signs around the edge of the field until you reach the disused railway line. **IMPORTANT: TURN**

RIGHT and then immediately LEFT towards the lookout tower. This section is likely to be very muddy. Pass the tower and continue straight on before turning right along a sandy stretch. Continue straight on and follow the signs through the plantation. **COURSE SPLIT (5.5k/3mile). 10km TURN LEFT, 10 MILE TURN RIGHT.**

10km Run: (From the Course Split location) Turn left and follow the trail down towards the pylons where you turn RIGHT. This section is very sandy and uneven with some drop-offs, so watch your footing. TURN LEFT across the common through the forest managed section. TURN right, run over the old railway line and then left on a wide track. Continue along the trail until you reach the road by Cowdray House and the water location.

10 mile run (From the Course Split location)

TURN RIGHT and follow the signs which eventually bring you alongside a field. Please note, there are numerous paths and trails on this section, please pay attention and concentrate on where you're going. There will be numerous signs & tape for you to follow. Turn RIGHT along a path along which leads to a residential road. Continue straight on until you reach the footbridge, LEFT BEFORE the footbridge, through the gate and RIGHT at the end. Keep an eye out here as you then need to TURN LEFT which emerges onto another residential road. IMPORTANT, turn left along a narrow footpath, across the green and onto a narrow road. LEFT again and as you approach some houses, TURN RIGHT. Again, there are numerous trails running parallel with each other so make sure you stay on the signed path. STRAIGHT OVER through the woods, vere RIGHT and follow this sandy section all the way until you reach the Serpent Trail. This section is muddy. TURN RIGHT and then when you reach another sandy section TURN LEFT. Across the common there are many paths through the heather, **concentrate where you're going.** This trail will eventually arrive at a car park (WATER). Turn RIGHT across the road CAUTION and up the stoney track. Follow the pylons uphill, turn left, then right and RIGHT again down a steep stoney path. Once at the bottom it's a steep climb uphill to the top, then follow the path under the pylons. Bear left and then RIGHT. This section is through the heather and gorse and eventually brings you out on the road. CAUTION. Cross the road and onto the track which veres right towards the disused railway line. Follow the line under the bridge and eventually turn right & left and you're now back on the track towards Cowdray House with the 10km runners. PLEASE NOTE: There are numerous tracks and paths within the woods so keep an eye out for signs which will be checked before the race starts.

10km and 10 mile runs both follow the private road to the rear of Cowdray House at which point you'll be joined by some of the 5k runners. Turn left, through the gate and then right which is at the foot of the polo fields. Turn right again, then left and climb alongside the polo field towards the Farm Shop and finish.

5km COURSE

Once at the bottom of the tarmac road between the polo fields, turn left, then right, passing the pond. At the bottom, turn left until you reach the rear of Cowdray House. Then turn RIGHT down the tarmac road so a few metres, then LEFT BEFORE the bridge. You are now within the estate's private fishing grounds. Follow the river all the way (there's a narrow water jump across one section!) when you reach the farm track turn right and then right again before the farm. You're now on the opposite side of the river. Follow this all the way back to the bridge, turn right and you'll be joined by the 10m and 10km runners on the way back to Race HQ. Turn left along the track from which you originally ran, through the gate and then right towards the pond. You'll emerge at the foot of the polo fields. Turn right, then left and climb alongside the polo field towards the Farm Shop and finish.

NEW 3km Kids Run

From the start & finish area, follow the track alongside the polo field – this is downhill and fast so watch your footing if it's wet. Turn right at the bottom and then almost immediately left passing the pond and bear round to the RIGHT. Then turn right on the gravel track and follow this all the way to the Castle Ruins and the Walled Garden. Follow the road round to the right, keeping the ruins to your right. Keep right as you approach Midhurst cricket and rugby ground and then turn right within the Cowdray Estate and follow the road around the polo fields until you reach the bottom of the hill. Bear left and follow this gradual tarmac drive uphill to the finish.

IMPORTANT: If for any reason you withdraw during the race, PLEASE make sure you let the race organiser know.
