You can arrive any time after 0800hrs, but please make sure you are parked before 0840hrs and make your way to the start.

[See map on website.](#) **PLEASE NOTE WE WILL REVISE THE PARKING PLAN THE WEEK BEFORE THE EVENT IN VIEW OF RECENT HEAVY RAIN.**

Registration: Registration will take place on Nepcote Green where you can collect your race number and safety pins. You can leave any clothing at one of the gazebos at your own risk, but please no valuables. There will always be a PTA member by the gazebos. Event toilets are located by Wattle House on the green.

Coffee: Stan and Tiff from the [Coffee Cycle](#) will be on Nepcote Green with their horsebox providing decent coffee and snacks. **Water:** Water is located at the finish & start. There are **no water stops on the course** so you need to be self-sufficient.

Race briefing will take place on the start line.

- The route will be signed and marshalled to make sure no one gets lost!
- **Marshals** will only be at the key points on the course, so please make sure you know where you're going **or download the RunGo app** which gives turn by turn route guidance.
- Timing will be via Results Base android timing system and will be live at the finish.
- All runners will receive a bespoke medal.

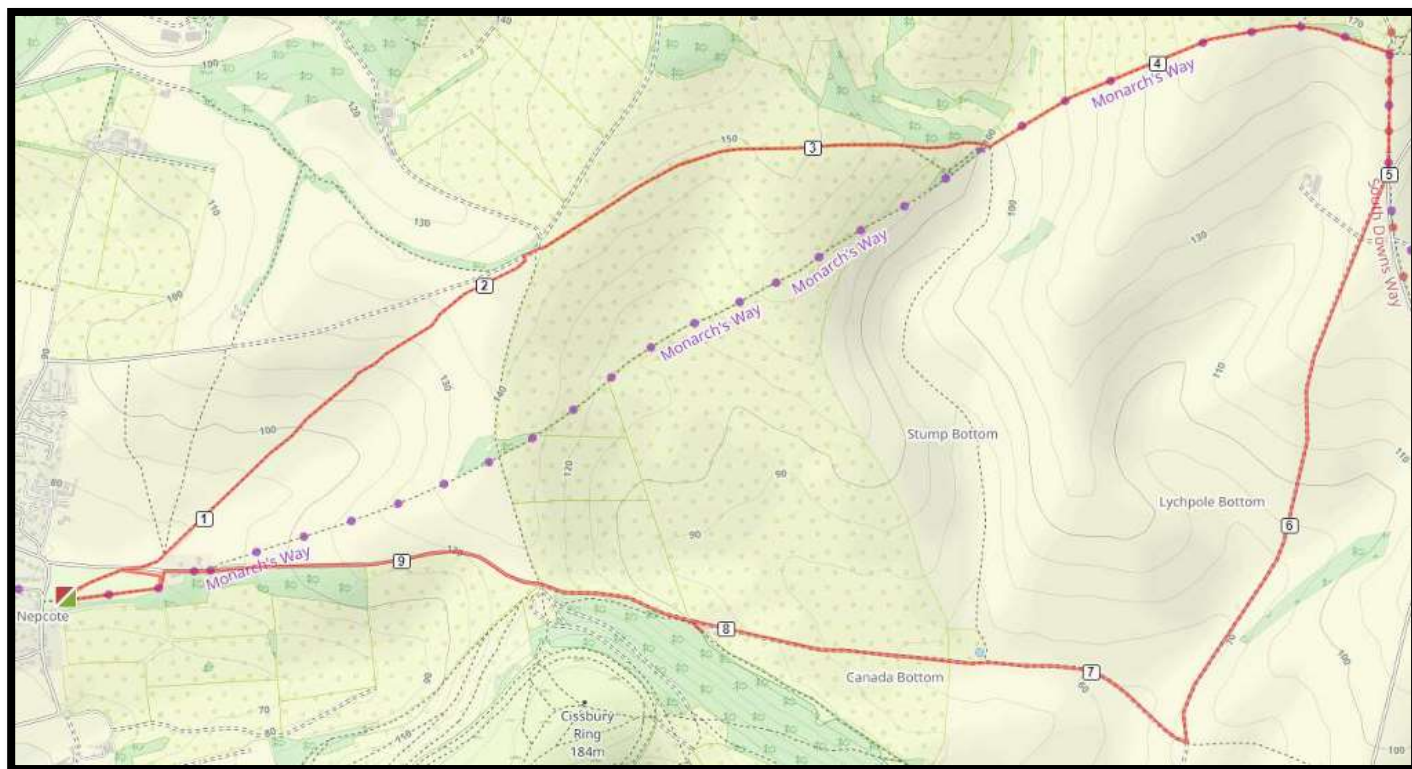

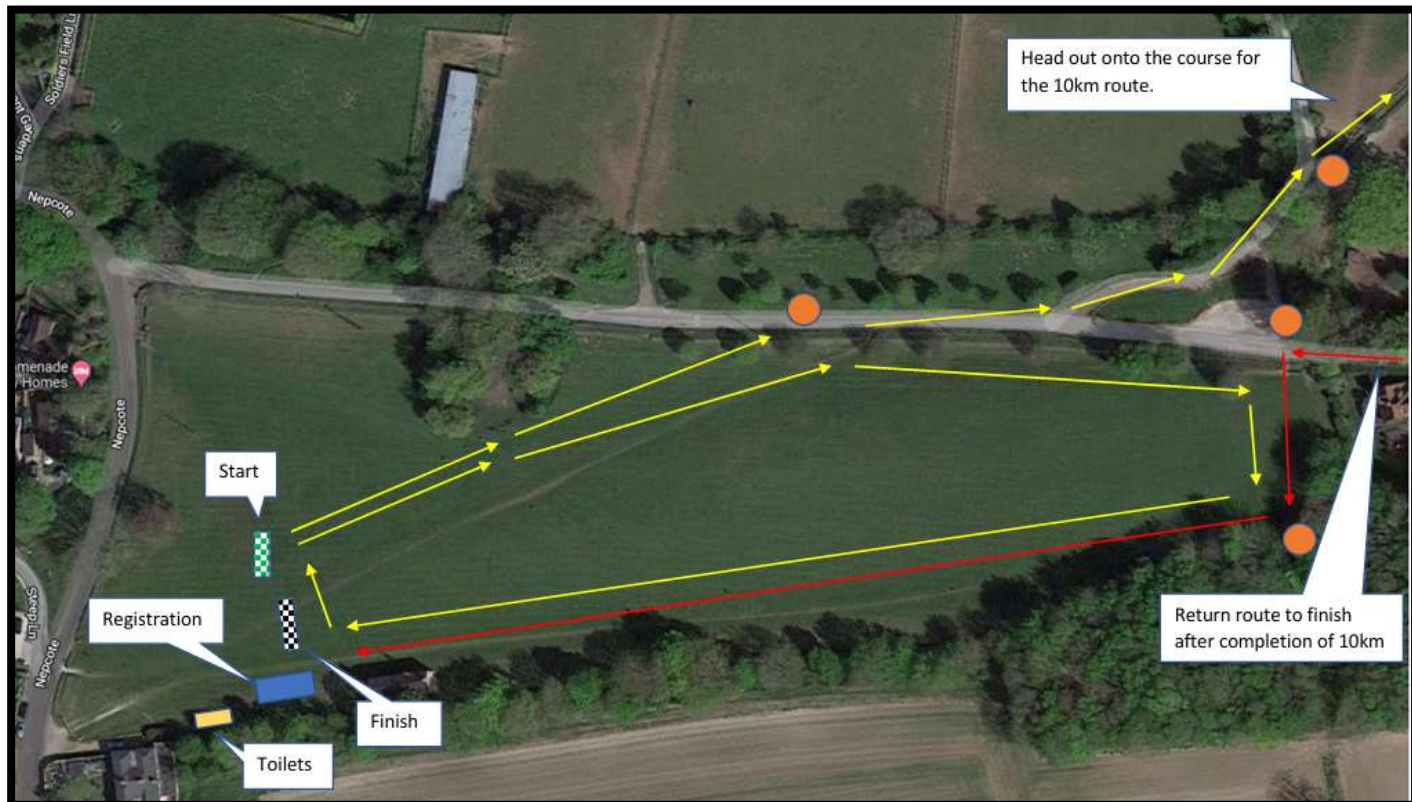

COURSE DESCRIPTION 10km & 5 Mile (PLEASE READ)

The run starts from Wattle House on Nepcote Green. Complete one clockwise lap of Nepcote Green, before heading out onto the course. Please look at the maps online. After leaving Nepcote Green, run out onto the road and towards the racecourse by a small car park. A marshal will monitor the road and the route to the racecourse will be signed. There are then a series of gates close together which will all be marshalled and open for you. From this point you'll start to climb across the gallops and through another couple of gates before you reach the chalk bridleway (2.15km) **TURN RIGHT** on the bridleway through the gate and barrier (2.2km) go **STRAIGHT ACROSS** and follow the wide track all the way downhill towards the Monarchs Way. The bottom of this section is quite steep downhill (Marshal). **IMPORTANT**, the 10km run **BEARS LEFT** and the 5 Mile Run **TURNS RIGHT**. The 10km climbs all the way up the Monarchs Way to the South Downs Way and Langmead Memorial (4.67km) (Marshal). **TURN RIGHT** down the South Downs Way and head due south

(towards the sea in the distance!) Remain on this downhill track and DO NOT JOIN THE ROAD. The track eventually becomes a cinder track, go through the gate and continue all the way downhill until you reach the concrete road that leads to Cissbury Ring (Marshal) 6.68km. From here you're on the same road for the final long stretch. The section up to Cissbury Ring is uphill and hard work, but once you reach the car park (8.60km) it's all downhill to the finish. As you approach Nepcote Green a marshal will direct you sharp left onto the green. Follow the arrows to the finish by Wattle House.

The kids 2km run will start as soon as the last 10km/5 mile runner has left the green. See map below.
