Romero Rave Run | Sunday 21st April 2024 | 09:00hrs

1.6km (1 mile) | Open to Children Aged 3-12 Years

The inaugural 'Romero Rave Run' event in 2024 has the goal of encouraging younger children to participate in running events and to promote an active and healthy lifestyle.

This event involves running three small laps of the school grounds (approximately 550 metres per lap) and incorporates a circuit of the large sports hall, where runners will experience the motivating rush of dance music and disco lights!

This is a charity event with all proceeds going to Friends of Romero (Registered Charity 1053384).

"We would like to welcome you to St Oscar Romero Catholic School. We are Friends of Romero, a small group of volunteers, parents and carers, who raise funds to support projects and buy specialist equipment for the students. We organise school and community events, large and small, throughout the year; raising money and providing fun and entertainment for the students, their families and the local community. Currently, we are raising funds to upgrade the outside sports facilities, giving a massive boost to all the students and the wider community. Our events are advertised on Facebook, so like our page and come along to our next event we'd love to see you." Parent-Teacher Association Team.
